How to find books

You may browse the collection by using the **Menu** or you can search for a title with the simple search at the top of the page. Click the Menu icon if you don't see the selections in the dark area below the BCLS logo.

Even better is the **Advanced Search**. The Advanced Search will let you search for a title that is currently available as well as by Subject. Genres are included in the Subject dropdown menu. You may also select a file format such as Kindle or epub.

A screenshot of the Advanced Search form. It features several input fields: "Title", "Author/Creator", "Added to site:" (with a dropdown menu set to "All Dates"), "All Subjects", "All Formats", "All Languages", "All Publishers", and "All Awards". Below these fields are three checkboxes: "Library Collection", "Available Now", and "Additional Titles". A "Search" button is located at the bottom right, and a "Clear" link is at the bottom right corner. Two grey arrows point from the left towards the "All Subjects" and "All Formats" dropdown menus.

Title records

Once you have located a book that interests you, you will be able to see if the book is available to **Borrow**. If it is not, you may **Place a Hold** to be put on the waiting list. Click on a book for a longer description and an excerpt.

The screenshot shows a library search results interface. At the top, there is a search bar with the text "Search within results..." and a "Submit" button. Below the search bar, there are tabs for "Library Collection", "Available Now", and "Additional Titles". The main heading is "Search Results" with a sub-heading "1-20 of 364". On the left side, there are filters for "Sort By: Relevancy" and "Filter search by:" with options for eBook, Audiobook, and Video. Below that, there are format filters for "Format (8)" including Kindle Book (247), OverDrive READ (92), EPUB eBook (250), PDF eBook (94), Open PDF eBook (4), OverDrive MP3 Audiobook (33), OverDrive WMA Audiobook (95), and Video (2). The main content area displays a grid of book covers. Annotations include a box labeled "Available" pointing to the book "Abraham Lincoln" and a box labeled "Wait list" pointing to the book "A Game of Thrones".

If you find a title that you are interested in but you don't want to check out or request it now, you can add it to your **Wish List** for later.

The screenshot shows the detail page for the book "The Night Circus" by Erin Morgenstern. On the left is the book cover, which is black and white and features silhouettes of a man and a woman. The title "The Night Circus" is prominently displayed. To the right of the cover, the author's name "Erin Morgenstern" is listed, followed by a five-star rating. Below the rating is a "Place a Hold" button. Underneath the button is a short description: "The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of..." and a "More..." link. At the bottom left of the description area is an "Add to Wish List" button. On the right side of the page, there are several sections: "Available formats" with a list of "Kindle Book", "OverDrive READ", and "EPUB eBook"; "Subjects" with a list of "Fantasy", "Fiction", "Literature", and "Romance"; and "Copies" with a table showing "Available: 0", "Library copies: 4", and "2 patron(s) on holds list". Arrows point from the "Place a Hold" button to the "Available formats" section and from the "Add to Wish List" button to the "Copies" section.

Checkout

If the book is available for immediate checkout, you will see the **Borrow** button. Click it to check your book out. The titles you borrow will remain on your **Bookshelf** for the full duration of your checkout.
